OUR AMAZING 2025 SPONSORS

SHINING A LIGHT ON WIGAN'S BUSINESSES

As a sponsor, you will play a vital part in recognising and celebrating the outstanding businesses that shape the future of Wigan. By supporting Wigan Business Awards, you will elevate your brand visibility, demonstrate real commitment to our borough, and gain valuable access to our finalists, PR opportunities, and exclusive events.

Our mission is to highlight the exceptional businesses that keep Wigan moving forward. We take pride in celebrating the full spectrum of talent across our community, from passionate sole traders to established leaders, while creating a platform that champions excellence and inspires growth.

The awards have grown significantly since 2024 with record guest numbers, more finalists than ever, soaring social media engagement, and a **People's Choice vote that has more than tripled**. This growth reflects the strength of the community we are building together.

We actively invest in that community too. Wherever possible we use the services of our finalists, winners, and local partners, ensuring the economic impact of the awards is reinvested directly back into Wigan.

Our commitment to impactful storytelling was recognised when our 2024 campaign received the **Marketing Impact Award at the Greater Manchester Chamber Excellence Awards**. With more momentum than ever before, we are proud to continue raising the profile of Wigan's businesses both online and in person.

Now, we invite you to join us on the next stage of this journey.

The award ceremony for 2026 takes place on **FRIDAY 6TH NOVEMBER at THE EDGE, WIGAN**

STATISTICS WITH
MONTHS LEFT OF OUR
2025 CAMPAIGN!

*Are you in for
2026?*

WE'RE MAKING A DIFFERENCE, *Together!*

While we prepare the final statistics from our 2025 campaign, here is a look at the impact created by those who supported the awards last year and this year. It shows exactly what your sponsorship can help achieve.

In 2024, our sponsors helped us celebrate the resilience of our business community and shine a light on small businesses that are often overlooked. Their support enabled us to work with 30 North West and Greater Manchester suppliers, including **23 based in Wigan and Leigh**. This **reinvested £36,814.31 directly back into our local economy** and supported business owners and their families. Even our venue, The Edge, is community owned which means all profits stay within local community resources.

In 2025, this commitment to reinvesting locally has only grown. We regularly commission the services of our finalists, past winners and local partners. A great example is That Secret Ingredient, our **2024 Hospitality Business of the Year**, who returned to create this year's dessert for our guests. We also partnered with **2024 and 2025 finalists Resurrection Promotions** who helped us transform the room with a sequin wall, light up letters and numbers, themed centrepieces for our sponsors and much more.

When you support the awards, we support you in return.

Together with our guests and sponsors, we also **raised £4,326 for our official charity partner, In Memory of Baby G**, through raffle tickets, cash donations and our GoFundMe appeal. In Memory of Baby G was founded by our **2025 Employee of the Year winners**, GHE Electrical, Fire and Security LTD, which makes this achievement even closer to the heart of our business community.

This is the difference sponsors make. **Your support strengthens local businesses, boosts our economy, elevates community causes** and helps us continue building something truly special for Wigan.

We look forward to sharing the full 2025 impact soon and would love to welcome you into our growing sponsor family.

SPONSOR BENEFITS

All our sponsorship packages come with immediate benefits included as standard. We want every sponsor to experience maximum value for their investment before, during and long after the awards night.

Stronger Brand Recognition and Visibility: Your business is seen, remembered, and talked about across a growing audience online and in person which helps keep you front of mind in the Wigan business community.

Enhanced Reputation and Credibility: Sponsoring signals that your business champions local success and invests back into the borough which builds trust and sets you apart as a leader.

Meaningful Connections and New Opportunities: You gain direct access to finalists, winners and fellow sponsors. These relationships often lead to new customers, collaborations and long term partnerships.

Positive PR and Storytelling Opportunities: Your business becomes part of a respected awards campaign backed by award winning marketing. This gives you regular chances to share good news stories and boost your public profile.

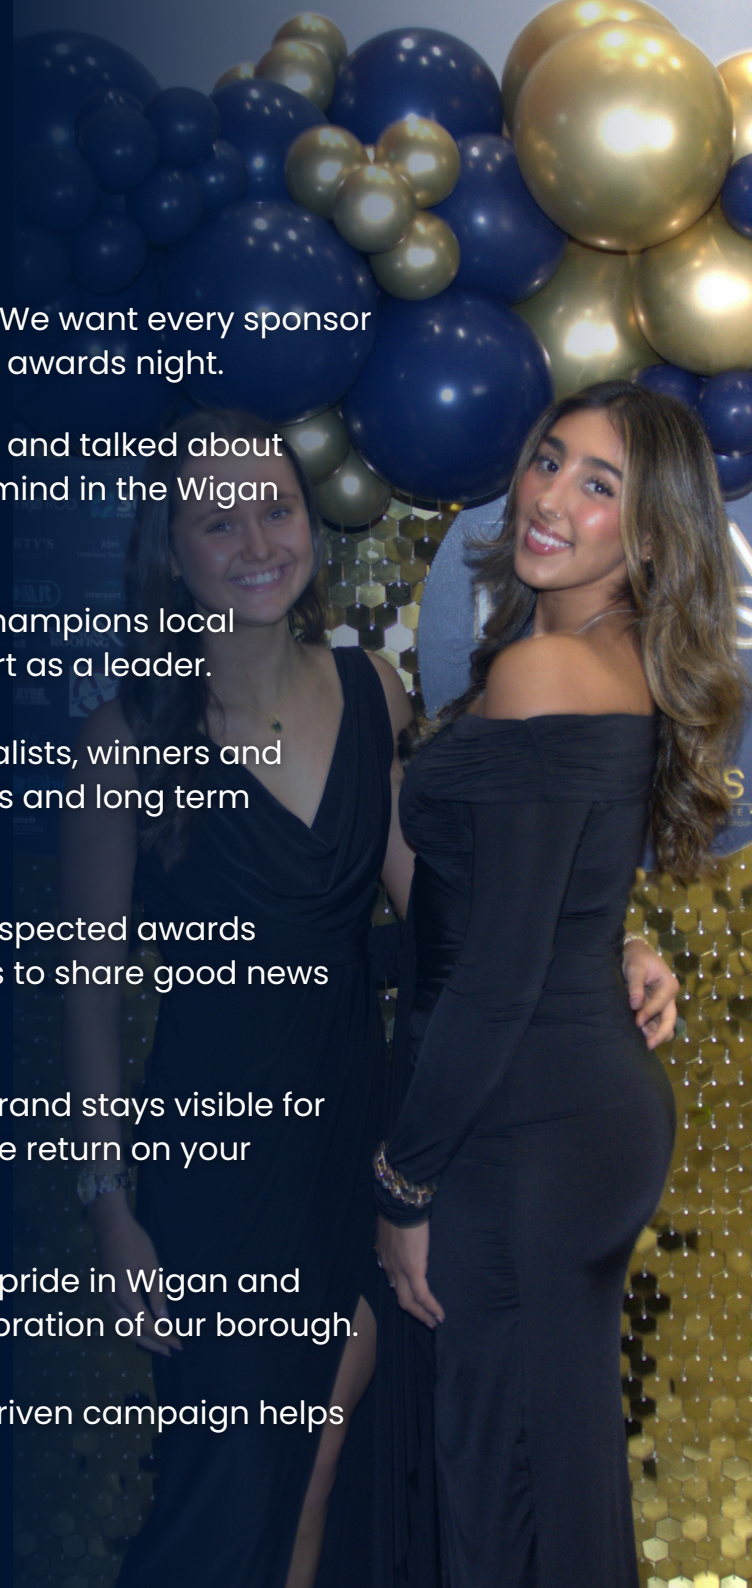

Year Round Presence and Brand Recall: With a twelve month campaign your brand stays visible for longer which increases recognition, reinforces your message and maximises the return on your investment.

Stronger Local Presence and Community Alignment: Your involvement shows pride in Wigan and positions your business as one that actively contributes to the growth and celebration of our borough.

Improved Employer Appeal: Being associated with a high profile, community driven campaign helps you attract great people who want to work for a business that values its roots.
